BOREAL CLOSES PRIVATE PLACEMENT AND SHARES FOR DEBT TRANSACTIONS

Vancouver, B.C., August 14, 2020. Boreal Metals Corp. ("**Boreal**" or the "**Company**") (TSXV:BMX) is pleased to announce that it has closed its previously announced non-brokered private placement (the "**Private Placement**") with a lead order from Palisades Goldcorp Ltd., and has also closed its previously announced shares for debt transactions (the "**Shares for Debt Transactions**").

Private Placement

Under the Private Placement, 47,155,376 units of the Company ("**Units**") were issued at \$0.055 per Unit for total gross proceeds to Boreal of \$2,593,545.69. Each Unit consists of one common share (a "**Common Share**") and one common share purchase warrant (a "**Warrant**"), with each Warrant being exercisable for one additional Common Share at a price of \$0.11 for a period of 24 months from the date of issue.

All securities issued under the Private Placement are subject to a statutory hold period expiring four months and one day from the issue date. The TSX Venture Exchange has conditionally approved the Private Placement, subject to customary final filings.

In connection with the Private Placement, the Company paid certain arm's length finders, finders' fees totaling \$18,480 and 336,000 Units.

The proceeds of the Private Placement will be used to fund exploration, including drilling activities, at the Company's 100% owned Gumsberg property, and for general working capital purposes, including the payment of management and consulting fees to certain parties. Advancing the Company's 100% owned, 18,300 hectare Gumsberg property remains the Company's primary objective. Boreal intends to continue drilling the Östra Silvberg prospect and plans to expand the 2019 Östra Silvberg South Discovery (News Release July 9, 2019). Drilling at Östra Silvberg by Boreal between 2017 and 2019 returned significant high-grade intercepts, including 10.94 metres of 656.7 g/t silver, 16.97% zinc, 8.52% lead and 0.76 g/t gold, as well as 11.01 metres of 275 g/t silver, 7.45% zinc, 2.65% lead and 0.77 g/t gold.

Shares for Debt Transactions

Pursuant to the Shares for Debt Transactions, the Company has issued an aggregate 2,305,273 Units to certain parties as described below, and an aggregate 7,368,304 Units to EMX Royalty Corporation ("**EMX**").

Pursuant to the Shares for Debt Transactions, Patricio Varas, Executive Chairman and CEO of the Company, received 1,650,000 Units in repayment of certain funds advanced to Boreal for operational expenses. In addition, Johannes Holzäpfel, of EMX, received 178,000 Units, and Richard Mills, of Northern Venture Group Ltd., received 477,273 Units; in all cases, as consideration for certain past services rendered to Boreal.

August 14, 2020

The 7,368,304 Units issued to EMX facilitated: (i) an immediate reduction in the amount of debt owed by the Company to EMX from \$800,000 plus accrued interest and fees, to \$482,113.28, (ii) a 6-month extension of the maturity date applicable to the remaining balance of such debt, to May 25, 2021, and (iii) EMX maintaining its current 12.89% ownership interest in the Company on a non-diluted basis, following completion of the Private Placement and Shares for Debt Transactions.

The Units issued pursuant to the Shares for Debt Transactions were issued at a deemed price of \$0.055 per Unit, with each Unit consisting of one Common Share and one Warrant bearing the same terms as the Warrants issued on the Private Placement. All securities issued under the Shares for Debt Transactions are subject to a four month hold period from the date of issuance.

About Boreal Metals Corp.

Boreal is a mineral exploration company focused on the discovery of silver, zinc, copper, and gold deposits in exceptional, historical mining project areas spanning Sweden and Norway. The Company aims to discover new economic mineral deposits in known mining districts that have seen little or no modern exploration techniques. The Company is led by experienced management and technical teams, with successful track records in mineral discovery, mining development and financing.

About Palisades Goldcorp.

Palisades Goldcorp is Canada's new resource focused merchant bank. Palisades' management team has a demonstrated track record of making money and is backed by many of the industry's most notable financiers. With junior resource equities valued at generational lows, management believes the sector is on the cusp of a major bull market move. Palisades is positioning itself with significant stakes in undervalued companies and assets with the goal of generating superior returns.

Cautionary Note Regarding Forward-Looking Statements

This news release contains certain statements that may be deemed "forward-looking statements". Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Forward-looking statements may include, without limitation, statements relating to future outlook and anticipated events, such as the anticipated use of proceeds of the Private Placement by the Company. Although Boreal believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance, are subject to risks and uncertainties, and actual results or realities may differ materially from those in the forward-looking statements. Such material risks and uncertainties include, but are not limited to, Boreal's ability to raise sufficient capital to maintain its mineral tenures and concessions in good standing, to explore and develop its projects, to repay its debt and for general working capital purposes; changes in economic conditions or financial markets; the ability of Boreal to obtain the necessary permits and consents required to explore, drill and develop the projects and if obtained, to obtain such permits and consents in a timely fashion relative to Boreal plans and business objectives for the projects; the general ability of Boreal to drill test its projects and find mineral resources; if any mineral resources are discovered or acquired, the Company's ability to monetize any such mineral resources; and changes in environmental and other laws or regulations that could have an impact on the Company's operations. Forward-looking statements are based on the reasonable beliefs, estimates and opinions of Boreal management on the date the statements are made. Except as required by law, Boreal undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
