

BOREAL CONTINUES TO STRENGTHEN BOARD WITH APPOINTMENT OF ERIC JENSEN

Karl Antonius reports: Vancouver, JUNE 1, 2017 – Boreal Metals Corp. (“Boreal” or the “Company”) is pleased to announce the appointment of Eric Jensen to the Board.

Mr. Jensen brings outstanding expertise in exploring and managing projects, having over 20 years of industry and entrepreneurial experience in the resource sector. Mr. Jensen is currently the General Manager of Exploration for Eurasian Minerals Inc. (NYSE and TSX-V: “EMX”), a publically traded royalty company from which Boreal’s projects in Scandinavia were acquired. Mr. Jensen has led exploration programs throughout the world, including work in Scandinavia. Eric was a co-founder of Bronco Creek Exploration, a private, North American-based exploration company that was acquired by EMX in 2010, and is best known for his work on alkaline gold systems. Mr. Jensen has been an invited speaker at many conferences and symposiums, and continues to teach short courses on mineral exploration.

The President and CEO of the Company, Karl Antonius commented, “We are pleased to welcome Mr. Jensen to the Board of Directors. In his role as General Manager of Exploration for Eurasian Minerals Inc. Mr. Jensen, over the past four years of opportunity recognition and project acquisition has assembled Boreal’s exceptional project portfolio. The Company will leverage Mr. Jensen’s extensive economic geological experience in Scandinavia and benefit from his logistical and operational support network which will be instrumental in cost effectively advancing the portfolio and generating value to our shareholders.”

About Boreal Metals Corp.

Boreal is a mineral exploration company focused on the discovery of Zinc, Copper, Silver and Gold deposits in four exceptional, historical mining project areas spanning Sweden and Norway. The Company aims to discover new economic mineral deposits in known mining districts that have seen little or no modern exploration techniques. The Company is led by an experienced management team and technical team, with successful track records in mineral discovery, mining development and financing.
